# RUTS

The walking sick, what a crowd of them there are! Persons who are thin and weak but not sick enough to go to bed.

"Chronic cases" that's what the doctors call them, which in common English means—long sickness.

To stop the continued loss of flesh they need Scott's Emulsion. For the feeling of weakness they need Scott's Emulsion.

It makes new flesh and gives new life to the weak system.

Scott's Emulsion gets thin and weak persons out of the rut. It makes new, rich blood, strengthens the nerves and gives appetite for ordinary food.

Scott's Emulsion can be taken as long as sickness lasts and do good all the time.

There's new strength and flesh in every dose.

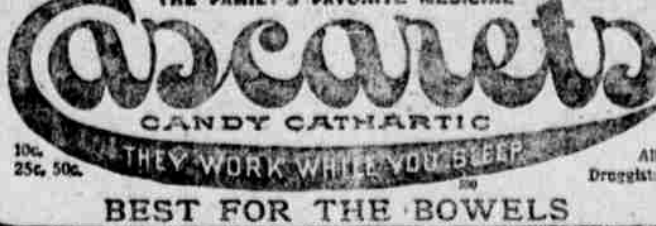

We will be glad to send you a few doses free.

Be sure that this picture in the wrapper of every bottle of Emulsion is the same.

## Move Along.

We had the pleasure at one time of reading a good production under the above caption. It is very applicable in taking your seat in church or any other building where three or more persons sit on one seat. If you go to church and sit down on the end of the seat and no one else comes that wishes to occupy a seat with you then you are at perfect liberty to stay there, but if others wish to occupy the seat with you, "Move Along." Don't sit on the end and have four or five others to crawl over you to sit down, but move along. Again, it is not necessary that you get up and allow others to pass in and again plant yourself on the end of the seat. If you just must have the end of the seat come in last and require everybody else to move along. Reader, don't forget this.

## Free! PHOTOGRAPHS of YOURSELF OR FAMILY. Free!

CUT THIS out and take it to S. B. Holcomb, the photographer, over H. L. Jones' Drugstore, Jackson, Mo., and he will gladly show his work and explain how you can get a free photograph of yourself, your wife, husband, father, mother, sister, brother, the baby or all the little tots.

It is up to you if the children haven't been photographed lately. Is it not YOUR DUTY to have it done now? The children have no voice in the MATTER. Childhood is short. Lifelike portraits of the little tots are good investments, and like good investments, they increase value. As time goes on when you get old and the children get old the picture will be priceless.
